MANDATED UNITS OF STUDY – SURVEY FORM

Updated 8/8/17

District Name/Number: _____
Building: _____

This is the mandated units of study survey for all public schools. This should be helpful to all schools and will need to be completed prior to any ROE Compliance Review Visit.

- In the lefthand column, you will find listed areas of study that are mandated by the Illinois School Code and the Illinois Administrative Code.
- Since the Code specifies the grade levels to receive the curriculum, the second column indicates at what grade level(s) the unit(s) should be taught.
- To concisely provide written verification that the unit of study is being taught, use the reference key to indicate the method(s) of delivery in the third column.

Reference Key: 1 = Assemblies; 2 = Cassettes/CD; 3 = Daily Routine; 4 = Discussions; 5 = Field Trips; 6 = Video; 7 = Magazines; 8 = Newspapers; 9 = Projects; 10 = Simulations; 11 = Speakers; 12 = Supplementary Books/Pamphlets; 13 = Textbooks; 14 = Other
