WE'RE BACK!

2020-2021

COMMITMENT TO SAFETY

Crossroad Academy is dedicated to ensuring that our students receive high-quality instruction, and safety is our priority. Partnerships with families and the Gadsden County Health Department will drive our Reopening protocol.

MITIGATING RISKS

Transparent communication and strong adherence to guidelines are our greatest weapon in mitigating risk. While we cannot eliminate risk, we will take every available precaution to avoid the spread of COVID.
