AUTOMATED CALL PERMISSION – PARENT/GUARDIAN

The Tawas Area Schools uses an automated dialing system to contact parents/guardians via primary contact phone and email to inform you of important events, parent conferences and activities that you and your child may want to participate in. In order to be included on the calls, we need your permission. Please indicate whether or not you wish to be included on informational calls from the Tawas Area Schools.

As a parent or guardian of a student in the Tawas Area Schools, I give my permission for The Tawas Area Schools to make non-emergency calls or emails using automatic dialing equipment at the phone number and e-mail listed in the Skyward school system database.

I understand that I may change my mind at any time and may contact Clara Bolen Elementary at 989-984-2200 or any other person who is in charge of the automated dialing system in the future, to have my numbers removed from the automated dialing system.

Once signed, this permission will remain in effect throughout my child's enrollment in the Tawas Area Schools.

Primary Contact Phone Number: _____

___ Checking this line indicates that I DO NOT wish to receive any calls or emails from the Tawas Area Schools automated system. I understand that I will receive calls for emergency type information including school closings and early dismissal.
