IMPORTANT INFO

Bamberg-Ehrhardt High School

ATTENDANCE

Parents please be advised that attendance is taken during every class period everyday. **Any time a student misses more than 15 minutes of a class period, they are counted absent.** Please keep this in mind when bringing your student to school in the mornings, and if you pick them up early in the afternoons. A parent note or doctor's note will need to be provided to the main office within three (3) days of an absence. Not providing an excuse to the main office could result in a student failing a required course due to excessive absences.

CLASSROOM INTERRUPTIONS

In order to maximize learning for all students, we need to reduce interruptions.

We are asking you to help us by making it a habit to set your day's plan when sending students to school each day. **When requests are made, the office must call the classroom on the intercom system, causing an interruption.** We would like to reduce these calls. Therefore, we are asking you to help us by:

Not calling the office to relay messages to your child **unless** it is an **emergency**.

Informing your children before they leave for school in the morning of things they may need to know such as:

Who is picking them up after school?

Do they need to walk home?

Who are they going home with?

What do they do if it rains? Do they walk home or you'll automatically pick them up?

Do they have their homework or projects?

Is there an activity going on after school in which they need to be picked up?

Seeing that they take their lunch with them to school or checking to determine if they have lunch money for the cash line. **Regular lunch is free.**

Scheduling doctor, dentist or other appointments after school.

These are a few suggestions that can help us to eliminate classroom interruptions.
