[www.thatcherud.org](http://www.thatcherud.org). Only students with complete files will be posted on that date.

**\* IMPORTANT NOTICE!! \* IMPORTANT NOTICE!! \***

*From the office..*

*Please remember this Thursday is an Early Release Day. We will let out at 10:00 am. Please remember to update addresses and phone numbers. Also, please go onto our website toward end of June and verify all the information for your child. If your child is missing a Birth Certificate, Immunizations, or Proof of Residency, they will not be populated into a classroom until we receive these state mandated documents. If you have any questions, please call the school. The secretaries will be out of the school office after June 18th. We will return the first week of August. Thank you and have a great summer!!*

**A Note from the Principal**

Parents, just a few items as we prepare to close out this very difficult yet rewarding school year.

1. TUSD will be offering K-12 summer school for all students that need the extra help to catch up. All parents should have already been notified and have agreed to sending or not sending their student. If you were not notified and feel like your child was overlooked please notify your child's teacher as soon as possible. This summer school is done in small group instruction and time on task is very important so discipline problems will not be tolerated and parents will be called to come pick up their student if they are causing a problem.

2. Next year we will be offering a Math Club 1 day a week after school and a second group on Fridays as an enrichment for our students. This information was sent out a few weeks back and we are still taking students into the Math club at this time. There is a cut off as to how many we can take into a group so please let us know if you are interested so we can plan accordingly. Contact Courtney Hansen at [hansen.courtney@thatcherud.org](mailto:hansen.courtney@thatcherud.org)

3. Mrs. Kristin Barney has moved into kindergarten for next year and Mrs. Jolee Larabee will be teaching our Transition First Grade class next fall. So excited about this as I know our students will benefit from it.

4. Parents I cannot emphasize enough how important it is to read to and with your children during the summer as this will help them stay on top of what they have learned. Read with all of your children no matter how young as they will benefit from this.

Please have a safe enjoyable summer vacation. We love your children and can't wait to see them again in August. If you need to visit with me over the summer please email me at [allred.tracy@thatcherud.org](mailto:allred.tracy@thatcherud.org) or send me a text with your name and number and I will get in touch with you. I do not answer numbers I don't recognize. This is why I say send me a text.

Be Safe,  
Mr. Tracy Allred

***HAVE A GREAT SUMMER BREAK!!***
