Certifications

Earn your ParaPro Certificate!

The ParaPro Assessment is a general aptitude test that is required in many states for paraprofessional certification. It also offers school districts an objective assessment of your foundation of knowledge and skills. Start now and take the necessary steps to become a teacher's assistant. See the [State Requirements](#) to find out if the ParaPro Assessment is required in your state.

Ed Profession students will have the opportunity to participate in Educators Rising, CTSO. In class activities will prepare students in the field of teaching.

Who we are:

- National Network and Organization
 - Supports communities to provide passionate young people with hands on learning experiences
 - Hands-on teaching experience
 - Sustain student interest in the profession
 - Help students cultivate the skills they need to be successful educators.
 - The result is a pipeline of accomplished teachers who are positioned to make a lasting difference.
- Since its August 2015 launch, more than 30,000 students and teachers across the country have joined the network. These students are engaged in high school-based, co curricular teaching programs where they explore the profession in deep, meaningful, and rigorous ways.
