Young Lawyers Will Recognize Local Layman

A committee has been appointed to select a recipient of a "Liberty Bell Award" in a program sponsored by the Younger Lawyers Section of the State Bar and the Houston County Bar Association.

The Liberty Bell Award was conceived by the Michigan Younger Lawyers as a method of giving public recognition to laymen for outstanding contributions to the "Rule of Law" and to pay tribute to outstanding community service.

Larry Walker Jr. is local chairman of the Liberty Bell Award program. The committee that will make the selection will not be identified but is made up of outstanding local citizens.

The program is designed to promote a better understanding of our form of government, to encourage greater respect for law and order, to educate in the contrast between Communism and freedom under law, to stimulate a deeper sense of individual responsibility and effective functioning of the institutions of government.

The selection will be announced on Law Day, May 1.
