

Califon Public School

"Making Their Lives Extraordinary"

Mr. Jason Kornegay
Superintendent

Mr. Daniel Patton
Principal

Mr. Tom Johnston
SBA

March 9, 2017

Dear Parents/Guardians and Staff Members,

To protect our students and staff along with being in compliance with the Department of Education regulations, Califon Public School has tested our drinking water for lead.

With the assistance of HAKS Engineering, Agra Laboratories and Mr. Weber our water readings were well below the State action level of 15 PPB.

For more information about the water quality in our school, please contact the main office.
