Sincere Appreciation to TVA, Our PIE

Spring City Elementary School wants to say a big "THANK YOU" to the Tennessee Valley Authority and the Watts Bar Facility for their generosity to Spring City Elementary School. TVA has a Partnership in Education program that assist area schools. The TVA Partnership in Education raises money throughout the year in an effort to enhance the educational experiences of children in area schools. We thank them for their continued support of our school and their friendship.

TVA's generous donations have provided SCES with many valuable tools and supplies over the years. A sincere thank you from SCES's faculty, staff, and children for your generosity.
