

2020-2021

All schools in Pottsville School District are accredited through DESE (formerly Arkansas Department of Education). The focus for 2020-2021 include: All buildings-student engagement, reading, and math. School leaders and teachers are continuously analyzing data to determine weak areas as well as focusing on individual student growth. On-going PD, vertical team meetings, and developing teaching and learning strategies are the actions to help each student achieve and make their gains.
