

Local Scholarship Common Application

Welcome to the common application used for most of Seaside High School's local scholarships. It is important that you read all instructions carefully and review your application before you submit it. Below find some suggestions from the scholarship committee on how to be a competitive applicant in this scholarship process.

Step #1 . Get Organized!

Assess exactly what you need to complete this application. Remember to allow plenty of time for letters of recommendation, essays and activities chart drafts and additional information.

Step #2 . Be Thorough!

Study each scholarship's requirements; you don't want to miss out on any opportunities! Remember that some scholarships ask for additional information that must be included when you submit your application.

Step #3 . Save as You Go!

You can always go back and change things as needed.

Step #4 . Review, Review, Review!

We recommend you have a least two adults (other than your parents) look over your application material. This can provide you with invaluable constructive feedback and helps your application shine.
