ParentVUE/StudentVUE Use Agreement

ParentVUE and StudentVUE are internet-based applications that provide access to education records for parent/guardian and students of the district through a secured Internet site. All parents/guardians and students who wish to use ParentVUE or StudentVUE must comply with the terms and conditions in this Agreement.

**A. Rights and Responsibilities**  
 Access to ParentVUE/StudentVUE is a free service offered to all current students and parents/guardians of district students. Access to student information through ParentVUE/StudentVUE is a privilege, not a right. A parent/guardian will be authorized to activate a ParentVUE account only after the student is enrolled in the district. Once a student withdraws or graduates, ParentVUE access to that student's education records will be inactivated. Parents/guardians and their student(s) must practice proper and ethical use of ParentVUE.
