Information for Proposed Preliminary Budget For 2012-2013 School Year Meeting 1

**Presented:
December 19, 2011**

2012-2013 BUDGET TIMELINE OVERVIEW

(for a more detailed timeline visit www.wyomingarea.org and scroll half way down on right hand side 2012-2013 Budget Timeline)

If the district elects not to increase taxes above the index a resolution must be adopted by January 5, 2012.

If the district is not able to ensure millage increase up to the index, the district has until January 25, 2012 to adopt a preliminary budget.

- * Preliminary budget needs to be available for public inspection 20 days prior to adoption.
- * Preliminary budget needs to be advertised 10 days prior to adoption.

*It is important to note that if a district adopts a preliminary budget by January 25, 2012 and it is greater than the index, it enables the district to apply for exceptions (that is the ability to implement PDE approved additional tax revenue without requiring the referendum process) to be utilized for their final 2012-2013 budget adoption. At the same time, it also should be noted that this provides flexibility, but does not mandate a final millage rate above the index.
