School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Anderson Elementary is located in Dixon, California, a small town of 18,000 in northern Solano County. The school serves approximately 500 children and transitional kindergarten through sixth grade. Anderson's goal is to provide a nurturing and academically rigorous community where students reach individual learning success and take pride in their education. The school and broader community defined the school's mission as The Anderson community will develop leaders one child at a time by closing the achievement gap and preparing all students for college and career readiness for success in a global society.

Approximately 50% of our students are English Learners, with Spanish being their primary language of all but a few families. Students are educated in English only but supported through English Language Development (ELD). The school provides ELD for forty-five minutes, four times a week. School goals are supported by the Local Control Accountability Plan (LCAP) with the help of the School Site Council (SSC), English Learner Advisory Committee (ELAC), and staff. The staff receives ongoing professional development in academic areas, in addition to school climate and safety.

About Our School

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Opportunities for Parental Involvement (School Year 2020-2021)

Anderson Elementary parents have multiple opportunities to participate in their child's education. Parents are encouraged to have a voice through participation in the Parent- Teacher Organization (PTO), English Learner Advisory Committee (ELAC), School Site Council (SSC) and Local Control Accountability Plan (LCAP). Parents can also volunteer in their child's classrooms, as well as, volunteer for school activities. Parents are also provided opportunities to participate in workshops with their children to further engage and develop their child's academic and social-emotional growth.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Maintaining the safety and security of students and staff at Anderson Elementary School is a priority in our daily operations and long term planning period. When family members, volunteers, or representatives from outside agencies visit the campus, they first report to the office where they sign in and acquire a visitor badge. This protocol is communicated with signage and reinforced by staff members. Students are supervised during all parts of their day. Certificated staff provides instruction and supports oversight during class time and recess while the classified staff supervises students during recess and lunch periods. The comprehensive School Safety Plan (CSSP) is in compliance with SB187. Yearly, the committee meets to review the materials. In addition, to an Incident Command Structure, this document outlines responses to fires, floods, earthquakes, toxic spills, and campus intrusions. Specific instructions for staff and student responses are outlined in the plan. Staff and students practice drills periodically throughout the year to reinforce the procedures outlined in our safety plan. Should such a situation arise, staff will remain on duty to ensure the welfare of all Anderson students until it is feasible and appropriate for parents and guardians to pick them up. The School maintains necessary first-aid supplies in designated locations and these are inventoried and replaced each year.
