## **Mission**

In partnership with teachers, parents, and community, the Pine Bluff School District will provide quality educational opportunities that enable scholars to reach their maximum potential, graduating college and career ready.

## **Vision**

With an entrepreneurial spirit, the Pine Bluff School District will create a 21st century educational experience that will utilize rigorous interdisciplinary opportunities to prepare scholars to be leaders and innovators in an ever-changing global society..

## **Core Values**

- An achieving school district incorporates high-quality, adaptable, performance-driven team members who commit to high expectations, lifelong learning, and overall success.
- A team-oriented culture supports an environment where various ideas, beliefs, and diversities are celebrated and shared to contribute to our relentless pursuit of excellence.
- Consistent, open, and honest communication, employed by all stakeholders, in order to transparently explain our decisions, our ideas, our actions, our shortcomings, and our successes, is vital to building and sustaining a culture of trust.
- Active family engagement is vital to ensure continued academic success and growth.
- Community knowledge, support, and participation are necessary to foster a high-performing school district.

## **Goals**

- All students will attain proficiency in the core content areas.
- All students will graduate from high school prepared for postsecondary and career options.
- Ensure the safety of all staff and scholars.
- Improve the growth and development of the workforce.
- Improve communication throughout the district.
- All schools, as well as the district, will meet or exceed state/federal accountability standards.
