

August 16, 2017 WAO EDUCATION FOUNDATION MEETING RECAP

The WAO Public School Education Foundation met on August 16, 2017 at 5:30 in the WAOHS Library.

Members present were Carol Bowman, Carol Anderson, Ellen Strickler, Carol Sedgeman, Dewey Swanson, and Pam Jubie.

Some highlights from the meeting are:

The 2017 Golf Scramble was a huge success. We cleared over \$22,000.

The golf fees for the July 27, 2018 scramble will be the same-\$50.00 per person.

The Marshall County Fair Parade and Open House at the Schools on July 22nd were successful.

We will be purchasing a new computer for the office.

Welcome letters have been sent to new staff members informing them that they have \$200.00 coming to them from the Foundation for items that they will use in their classrooms/classes. They also will receive \$50.00 for purchasing Pony clothing/items at the WAO Wearhouse.

Fall need requests forms will go out to staff on September 15th and be due on October 10th.

Amy Trudell will represent the Foundation at the staff in-service on Thursday, August 31st.

Plans are underway for a Foundation Cookbook. Sally Roller is heading this project. Recipes may be submitted online. These will be completed before the All School Reunion in July 2019. More information will be coming out later.

Katie Kleven, a WAO Graduate and now a senior at UND, has expressed interest in volunteering for the Foundation as a payback for the scholarships she received.

The brick planter on the NW corner of the high school is in need of repair or redoing. We are interested in assisting with this project once more information is available. We purchased the school sign that is in the planter some years ago.

Memorials and donations for June and July were accepted.

The September meeting will be at the WAOHS Library on September 20th at 5:30.
