

Today, I have the pleasure of awarding scholarships to the recipients of the John S. Swaim Memorial Scholarship fund. This scholarship was established by Ms. Mescal Ferguson in memory of her brother, John S. Swaim. Mescal, who passed away in 1999, was a very special lady. During her lifetime, she was committed to helping young people achieve their goals through education. Her legacy will ensure that this fine tradition continues. Today's recipients are outstanding in academics and citizenship. The recipient for this year's John S. Swaim Memorial Scholarship is:
