

Hello Students,

I am so excited to start this online journey with you! Let's get started by creating your very own Quaver Music Account! Each week you will need to login to your personal Quaver account to find your assignments.

Good luck,

Ms. Kelli Boulton

Go to [www.QuaverMusic.com](http://www.QuaverMusic.com)

Click "Log In", then "Create a New Account."

Fill out profile info for your student: choose a username and password.

In the blank for "QuaverCode," use the code for your student's grade:

**Fifth: B3M4J**

**Fourth: M5Y28**

**Third: R68Y4**

**Second: MBYWH**

**First: 8D5X4**

**Kinder: 3QHHW**

Click on the option "With Flash." You may have to download Adobe Flash or enable it as a pop-up to gain access.

While you can use Quaver without Adobe Flash, I would HIGHLY recommend using it in order to have access to all of Quaver's incredible resources!

### **What to do during your first Quaver visit:**

**1. Customize your avatar! (\*This can only be done while using Quaver with Adobe Flash.)**

On QuaverStreet, you should see a gray character standing in the middle of the screen. Click on him!

Click "Change My Avatar" to make changes. Let's see how cRaZy you can make your avatar look!!

**2.** Play some games! (\*This can only be done while using Quaver with Adobe Flash.)

Go to the Music Room (click on the words "Music Room" on the upper left side of your screen on Quaver Street.)

Click on the arcade game on the left side of the screen.

Choose one of the 6 games available.

Click "HELP" on the game menu and follow the instructions for how to play the game. See if you can win a trophy for your trophy case!

**3.** Paint your own composition using "Song Brush" in the Quaver Music Shop!

Without Flash: Click on "Creatives," then click on "Song Brush" in the bottom right corner of the menu.

With Flash: While on Quaver Street, click on the door to the right of your avatar that says "Kids enter here!" Click on the brown easel and the bottom right corner of your screen. When you hover over it, it should say "Song Brush."

Create your own song by using the tools to "paint" music onto the staff.

Click on the small blue triangle to listen to your song!
