

Elementary School Supplies – 2020-2021

This school supply list is intended for distance learning. When we transition to in-person learning, there may be additional items required. For children who are participating in on-site care, children will need these items as well as additional supplies listed in the Safe Learning Plan.

We invite families to bring extra supplies to the Back to School Fair on September 2, if they are able. Families who are not able to provide supplies may receive them from the school – please join us at the Back to School Fair to collect items or contact school administration to schedule a pickup.
