# Bundle Contents:

Page 3: Communication board for answering

Pages 4-15: Yes/No Question books. Laminate and have students use a dry erase marker for answering, or just staple together and use as an assessment.

Pages 16-32: Yes/No Adapted Book. Laminate. Add hard Velcro into the box on each page. Cut out icons on page 32 and add soft Velcro on the back as answer pieces. Put yes/no icons in a plastic baggie.

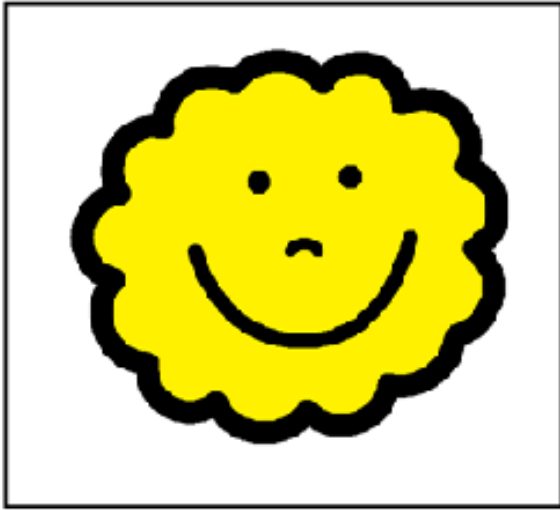

OR: put in sheet protectors and into a binder to save on lamination pouches - so much cheaper - & a time saver! Also, can switch pages around easier to avoid students memorizing the order/answers 😊

Pages 33-37: Yes/No worksheets - simplest form.

Pages 38-42: Yes/No worksheets - more complex questions (classification, function, describing)

Pages 43-47: Yes/No worksheets - new format, using pictures to answer questions. Great for generalizing the skill!
