Moms and Dads, due to your overwhelming response to our Morningside Moms **(M and M's), and our WATCH DOG (DADS)** we are ready to get started with our **M and M's and Watch Dog Dad volunteers.**

A few months ago, Morningside School sent out a volunteer form asking all **Moms/Dads** to give their child's school one day of their time; and, so many of you signed up stating that you would be interested. Everything has been put in place to make M and M's/Watch Dogs volunteer program happen. We would like for you to sign-up for the day that you will give to Morningside School. You will start in the mornings at 8:00 and end at 3:30. We want you to experience the operation of the school in different ways, your child's classroom, Art, Music, PE, our GTE classes, the office, the computer lab, media center and a whole lot more. You will have a custom schedule planned specifically for you based on your child's day.

If this is something that you would like to do, please fill out the information below providing the school with the day/s that you would like to volunteer.
