Join a class as a student

To use Classroom, you sign in on your computer or mobile device and join classes. After you join a class, you can get work from your teacher and communicate with your classmates.

You can join a class.

A class code—Your teacher sends or tells you the class code.

After you join a class on one device, you're enrolled in that class for all devices.

Join with a class code

Your teacher can tell you about the class code. After you get the code, follow these steps:

1. Go to classroom.google.com.
2. Make sure to sign in with the correct account. If you're already signed in and need to switch accounts, in the top-right corner, click your profile picture select or add your account.
3. At the top, click Join class .

4. Enter the class code from your teacher and click Join.

The screenshot shows a 'Join class' window. At the top left is a close button (X) and the title 'Join class'. At the top right is a blue 'Join' button. Below the title bar is a user profile section with a grey person icon, two horizontal lines for a name, and a 'Switch account' button. Below that is a 'Class code' section with a label 'Class code' and a text input field. A blue box highlights the input field, and a hand cursor is pointing at it.

Note: Class codes are 6-7 characters, and use letters and numbers. Codes can't have spaces or special symbols.
