**Reflection:** T. Love – Just as the wise men had a focus point...the star...to guide them we need something to be our focus or we won't reach our goal of students succeeding...like their goal to see the baby Jesus. Even though they had the star they stopped to make sure they were on the right path and get directions. We too have to stop sometimes and make sure we are on the right path to success. They made it to their goal then got a new direction. Once we reach our goal that doesn't mean to stop but to then listen for a new goal to achieve.
