### **Cell Phone Policy**

Some parents feel the need to allow their children to carry cell phones with them to school for their personal safety and for the convenience of contacting the children after school hours. Divine Redeemer's faculty and administration understand these concerns.

Our policy is that students may have cell phones at school, but they may not use them from the time they arrive until after 3:35 P.M. During these hours, the phones must be turned off and kept in the student's locker or backpack.

All phone calls during school hours are to be approved by a teacher, and placed through the School Office. Parents who need to communicate with their children during school hours are asked to do this through the School Office.

Please understand that cell phones are brought to school at your own risk. They are the responsibility of the student. The school assumes no accountability for lost or stolen personal property.

Violations of this policy will result in confiscation; the phone will be given to the principal and returned only to a parent at a mutually agreeable time.
