Take-Home Packet #3

Dear parents,

We first and foremost want you to know that we truly miss our babies! Please give them a squeeze and hug from us! This packet is for the upcoming 2 weeks of school. Inside, you will find paper/pencil options as well as online options. We hope this packet will be useful in working at your own pace on a daily basis. Each day is laid out for you to follow.

***Please remember to work on Lexia daily. Your child needs to complete level 5 before the end of the school year. The website is <https://www.lexiacore5.com/> or you may download the app onto any Apple device. The username and password is your child's lunch number. Please let us know if you have any questions. We will still be available on Class Dojo.**

Stay well and we hope to see everyone soon!

Happy Learning,

The Kindergarten Teachers and Parapro
