1 Team USA's Magic Johnson played in the Olympic Games in Barcelona, Spain, with The Dream Team, the NBA's 11 best players plus Christian Laettner, winning the Olympic men's finals.

2 The British Prime Minister announced the separation of Prince Charles and Princess Diana. Sympathy leaned toward the princess, who retained custody of sons Will and Harry.

3 Hurricane Andrew tore its way through Miami, Florida, stacking boats at a marina on Key Biscayne. The final damage to Floridians was in the billions; the thousands left homeless received federal emergency aid.

4 Madonna dominated the media promoting a movie, a book and an album. The Material Girl managed a record \$60 million deal with Time Warner to form her own multimedia company.

5 The comedian host of "Late Night With David Letterman" for 11 years on NBC switched networks. CBS offered Letterman, a favorite of the younger audience, a \$42 million deal.

6 The U.N. allies airlifted food supplies to Somalians devastated by drought and civil war. The U.S. dispatched marines who cleared a path through looting and fighting so supplies could reach the starving.

7 The second year of the Lollapalooza Tour, part rock concert, part circus, featured rapster Ice Cube along with Pearl Jam, the Red Hot Chili Peppers and others. The Concourse of Oddities and Curiosities drew the alternative crowd.

1 Garth Brooks eclipsed the Country Music Awards at Nashville, Tennessee, where he received the Entertainer of the Year Award, marking a new citified success for previously uncool country music.

2 Arkansas Governor Bill Clinton became America's 42nd president. Clinton and running mate Al Gore defeated Republican incumbent George Bush and Independent H. Ross Perot with their campaign of change.

3 Low-impact step aerobics invigorated over 11 million exercise enthusiasts. Even George Bush gave it a try at The Great American Workout, sponsored by the President's Council on Physical Fitness and Sports.

4 The U.S. Post Office made headlines when it announced the Elvis Presley Stamp and asked the public to vote on a young or old likeness of the legendary rock-and-roll star. The young Elvis graced the 29¢ stamp.

5 The Toronto Blue Jays took the World Series, winning against the Atlanta Braves, four games to two. In the 11th inning of the final game, Dave Winfield drove in two runs to lead the Blue Jays to a 4-3 victory.

6 The movie *A Few Good Men*, with Jack Nicholson, Tom Cruise and Demi Moore drew crowds across the country. This military courtroom drama commanded some of the biggest box office receipts of the year.

Class Colors: Royal Blue and Silver
Class Flower: White Rose
Class Motto: Yesterday has gone
with the seasons bloom
Memories seem hard to place
yet in our hearts there's room.

Our lives together are ending
our journeys have yet begun
but our friendships are forever
as the earth, sea and sun

The years have past so quickly. Just yesterday we were children. Now we must journey out into the unknown. In this world we shall find our place, give us time.

There are many people that have touched our lives. People that have believed in us, and taught us how to love. Many times we have forgotten to thank these people. Before we leave, we want to tell you how much you are loved and appreciated.

First, we would like to thank all of the teachers and faculty. We have spent much of our lives with you. You have taught us so much. As an eagle cannot fly without its wings, we could not reach the stars, or even begin our journey without the knowledge you have given us. We will remember you always.

We would also like to thank our class advisor, Mr. Hannigan, for guiding us through our high school years. You have been wonderful to us.

Second, we would like to thank our foreign exchange students. You have come across the ocean from lands far away, wanting to learn of this land called America. We found that we are different in many ways. Yet we have found that one thing is the same through out every land, and among every people; friendship and love. You are all special friends We will hold your faces in our hearts forever.

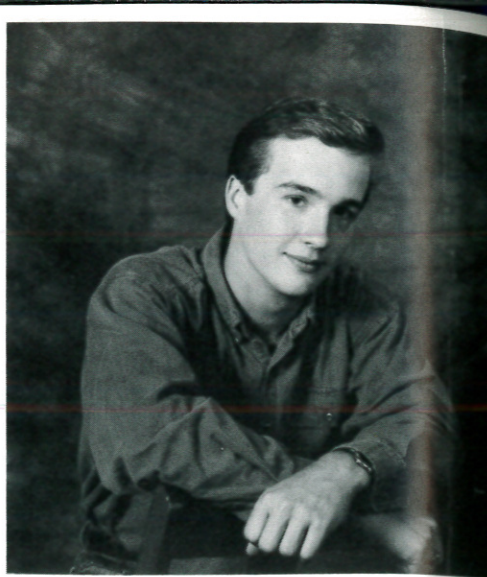

Last we would like to thank our parents. You have given us a life to live. You have given us the most valuable gifts one could possibly receive, but above all; the gift of love.

current events

1 Folks everywhere watched TV's "Northern Exposure." The characters from the wacky Alaskan town of Cicely have also made plaid shirts, baggy jeans and boots fashionable.

2 Reforms and rising prices buffeted Russia's economy as the country struggled with new-found capitalism. President Boris Yeltsin was hotly criticized by distressed citizens.

3 Johnny Carson retired after thirty years as host of the "Tonight" show. His legendary status in late-night entertainment left an opening sought after by Jay Leno, David Letterman and Arsenio Hall.

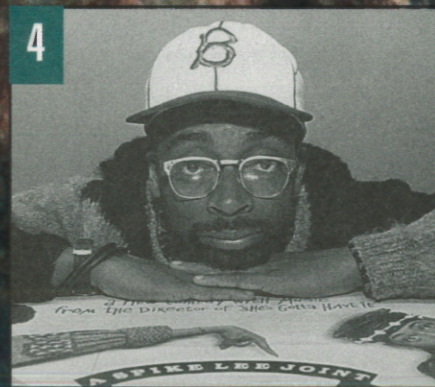

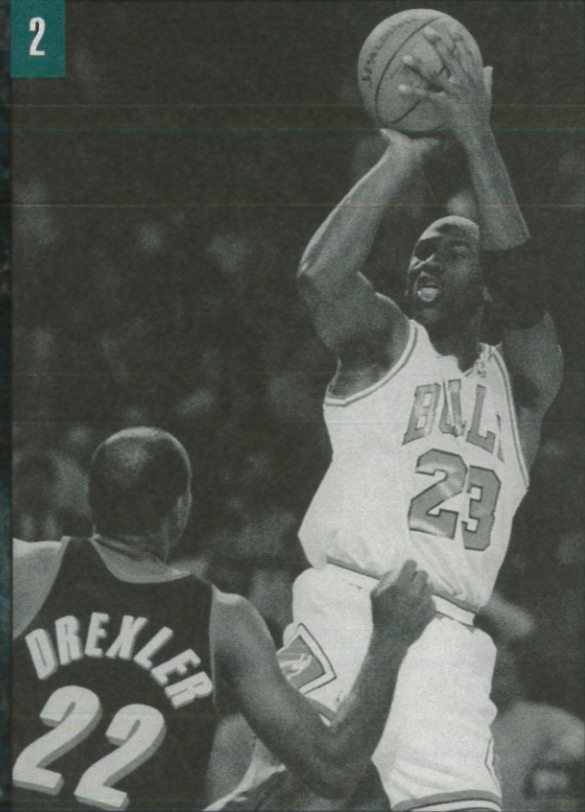

4 Actor/director Woody Allen faced charges of child abuse in a bitter custody battle with partner Mia Farrow. Allen's relationship with Mia's adopted 21-year-old daughter only added fuel to the fire.

5 Canada's Michael Wilson, USA's Carla Hills and Mexico's Jamie Puche shook hands after the signing of The North American Free Trade Agreement, ending trade barriers and forming a single market.

6 Serb artillery shelled the parliament building of Sarajevo, Yugoslavia, as the Serbs battled Bosnian Muslims and Croats. Thousands were dead and millions left homeless in this bloody civil war.

7 *Home Alone 2: Lost In New York* starring Macaulay Culkin delighted families of movie goers everywhere. The secret of the sequel's success lies in its plot—it's the same as the original *Home Alone*.

1 The cola wars took on a new twist as marketers made everything perfectly clear. Coca-Cola and Pepsi jumped on the trend bandwagon for clear liquid products, hoping thirsty buyers would think light is better.

2 Chicago Bulls' Michael Jordan shot the ball past the defense as the Bulls defeated the Portland Trail Blazers in the finals and won the NBA Championship. This was the second year in a row the Bulls made it all the way to the top.

3 Replicas of Christopher Columbus's ships, La Pinta, La Santa Maria and La Niña set sail from Spain in a historical reenactment commemorating the 500th anniversary of Columbus's voyage to America.

4 Spike Lee directed the biopic *Malcolm X* with Oscar-winner Denzel Washington as the slain civil rights leader. The movie spawned \$100 million in clothing and merchandising sales, making X a fashion as well as a political statement.

5 Plain-speaking Dallas billionaire H. Ross Perot, whose presidential candidacy attracted large numbers of voters, formed the grassroots group "United We Stand, America," to watchdog Clinton and the U.S. deficit.

6 Camp Snoopy, the indoor amusement park of the Mall of America, welcomed shoppers to the second largest mall in the world. Visitors to Minnesota can leave their kids at the 7-acre, all-weather park while they shop the 4.2 million square feet of shops.
