Dear Parents and Guardians,

Welcome to the 2020 - 2021 school year! I am thrilled to welcome you back to school. I am privileged to work with outstanding staff and parents to make it a smooth transition for our students during this uncertain time.

Along with the teachers and staff, I am working hard to continue the legacy of success established by JCHS by building strong relationships with parents, students and community partners. We will focus on Mississippi College- and Career-Readiness Standards, the use of data to drive instruction, and to provide consistent implementation of the curriculum in a rigorous manner so that we can continue to increase all of the students' achievement.

Partnering with families will be crucial this year as we face many obstacles due to the global pandemic. We appreciate your support as you work with students at home to practice safety protocols such as wearing a mask and washing hands. We encourage families to stay connected and informed by following our district website for important updates and information regarding our reopening plans. Please feel free to call or email me to discuss any concerns you might have throughout the school year.
