

Title: Food Service Contract

---

In accordance with USDA and Connecticut State Department of Education guidelines school districts are required go to bid for the management of their food service programs every five years. We had three companies that participated in our mandatory walk thru and two companies who submitted bids. Upon review of the bid documents and scoring each submission it was determined that Sodexo, our current food service management company be awarded the bid. These agreements are for a period of one year with the option of up to four (4) additional one-year renewals.

Chuck Zettergren, Assistant Superintendent for Finance and Operations will be available for questions.
