

GREAT NEWS!

2019-20 School Year - Jefferson County School District

Dr. Adrian Hammitte, Superintendent

August 5, 2019

Dear Parent or Guardian:

We are pleased to inform you that Jefferson County Public School District (JCPSD) is continuing the Community Eligibility Provision (CEP) for School Year 2019-2020. What does this mean for you and your children? Great news for you and your students! All enrolled students of the JCPSD are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2019-2020 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application. Please note, any extra food purchases will come with a price, regardless of a student's status. If your child brings his/her lunch to school and wants milk, it is available for 50¢.

Please encourage your child(ren) to eat a healthy breakfast every day. Studies show that breakfast boosts energy, helps improve a student's concentration, helps a student get better grades, and helps maintain a healthy weight; and it tastes great!! Breakfast is available every morning at both schools until the bell rings for the start of the school day. If we can be of further assistance, please contact us at 601-786-8151.

Nutritionally yours,

Delories Turner
