

### **Asbestos Inspection Notification**

All Huntingdon Special School District Facilities have been inspected for building materials containing asbestos, as required by the 1986 Asbestos Hazard Emergency Response Act. An asbestos management plan is available at the Huntingdon Primary School (191 Cox Street), Huntingdon Middle School (199 Browning Avenue), and Huntingdon High School (475 Mustang Drive). Each management plan is available in the respective school's principal's office. A copy of the asbestos plan is also available at the Huntingdon Special School District Central Office (585 High Street).
