

## Yearbook and Portrait Information

### Senior Portrait Information:

This year, Mary G. Montgomery High School has partnered with Tammi Cook Photography for all senior portraits. **Seniors are encouraged to schedule their own private photography session** with Tammi Cook, but if students and parents would rather take senior portraits at the school, this may be done during the week of registration. In order to be scheduled for these on-campus senior portrait days, students **must complete the online signup sheet** which is posted on the school website (mgmvikings.com). **The deadline** to sign up for on-campus portraits is Friday, June 18, 2021. Again, if you are able and willing to schedule a private photography session with Tammi Cook, you are encouraged to do so. A private session will be a longer, more personalized, and off campus photography session.

With Tammi Cook all seniors will take drapes, cap and gown, and casual portraits. The sitting fee for a photography session is \$35, and checks should be payable to Tammi Cook. She will accept cash, check, money order, or electronic payment transfer. If you do not wish to pay a sitting fee, you may signup for a photography session, however, a non-sitting fee session will only be one photo for the yearbook only. Non-sitting fee sessions are discouraged because the yearbook will use the cap and gown as well as casual pictures in the yearbook, and not taking these pictures could result in minimal features in the yearbook.

### What to bring for on-campus pictures:

- For tux portraits, male students may either wear a T-shirt (button up shirts will be provided at school), or they may wear their own solid white button up dress shirt. No ties are necessary. No polos or collard shirts that are not solid white (Unless these items are brought for casual pictures).
- Female students **must** wear a tank top on the day of portraits that can be worn under the drapes.
- All students may bring one change of clothing for casual portraits.

### Important notes:

- If you sign up for an on-campus photography session, your appointment time will be sent to you.
- **No walk-ins permitted.** Please arrive **on-time**.
- Style your hair at home before your session.
- Do your makeup at home before your session.

### Contact:

- Contact Tammi Cook if you have any questions or to schedule a private session after the summer.
- **DO NOT CALL** to schedule an on-campus session. The signup process is explained above.
- Contact number: (251) 554-1421
