Ms. Alisha DiCorpo
Superintendent of Schools

April 26, 2021

Dear Parents and Guardians:

As we continue our efforts to communicate in the most transparent and effective way possible, the district is excited to announce the introduction of our new Covid-19 dashboard that represents a daily account of the number of positive cases of Covid-19 in each school.

1. The dashboards can be accessed from the District homepage <https://newmilford.schoolinsites.com/>
2. Find and click on the COVID-19 button

3. Scroll down the page slightly and you will see the Dashboard
4. View the full District Data combined, or click the Dashboard and select a specific school

School Name	School Status	Total Cases	Active Cases	Students in Quarantine
2. New Milford High ...				
3. Northville Elemen...				
4. Hill and Plain Ele...				
5. Sarah Noble Inter...				
6. Schaghticoke Mid...				

Date of last update: April 23, 2021

< > | New Milford District (Page 1 of 6) | Privacy | Google Data Studio

5. We have included a video that will show you how to access and read the dashboard here. [Link to the COVID-19 Dashboard Overview video.](#)

The information contained in the dashboard will be time-stamped so that everyone will be able to determine when the dashboard was last updated. It's important to note that the dashboard will only be updated if there is a positive case at a school. In the event that there are none reported for the day, the dashboard will remain unchanged.

When the dashboard is in place, we will be doing away with our email notifications to parents for each school. The dashboard will officially be operational on April 26, 2021.

We sincerely hope that you will find this resource helpful.

Sincerely,

Alisha DiCorpo
Superintendent of Schools
