### WiFi on the Go

We are thrilled to bring you a brand new program where you can stay connected and take the internet with you! You can get a hotspot and UNLIMITED internet through the Limestone County Schools' WiFi on the Go program. The hotspot is battery-powered and small enough to fit in your pocket. Plus, no contract, no extra fees, and no data throttling- all for \$50 per month.

It's a great way to stay connected and you can only get it if you are an LCS employee or a parent. Get one for yourself or for family. Signing up helps raise funds for our very own schools here in Limestone County. Talk about a win-win - our kids win and you win too!

WiFi on the Go harnesses the power of T-Mobile's 4G/LTE cellular network to give you unlimited internet. Don't ever worry about data overage charges again, because there are none! If you want to find out about coverage where you live or work, just click <https://www.t-mobile.com/coverage/coverage-map> to view the coverage areas.

It's really easy to sign up. Just go to <http://bit.ly/limestonewifi> and click "WiFi on the Go" to get yours today! Type Limestone in the field that asks for a faculty or student ID. You can email @leanstreamrp at [info@leanstreamrp.com](mailto:info@leanstreamrp.com) or call us at (833) 943-4463 if you need to know more. #GoAnywhereGoEverywhere
