0157 BOARD OF EDUCATION WEBSITE

For the purposes of keeping all Board of Education members fully informed and provided with adequate information to make intelligent and prudent decisions, the Board authorizes the Superintendent and/or School Business Administrator/Board Secretary to coordinate and oversee a website to be maintained on the Internet. All items to be posted on the website shall be approved by the Superintendent and/or School Business Administrator/Board Secretary prior to posting. In the event that the Superintendent and/or School Business Administrator/Board Secretary finds certain material that is submitted to be of a questionable nature, the Superintendent and/or School Business Administrator/Board Secretary shall seek approval of the Board prior to posting such material.

The types of information that may be posted on the website include, but are not limited to:

- Board meeting dates
- Information regarding school times, closings, procedures, schedules
- School administration information
- Test score analysis
- School E-Mail information
- Other information as deemed necessary by the Superintendent

Materials containing political or editorial points of view shall be prohibited from the website.

The Board shall from time to time evaluate the effectiveness of the website and recommend appropriate changes for its administration to the Superintendent and/or School Business Administrator/Board Secretary who shall effectuate appropriate changes in the operation of the website.
