Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance *Government Auditing Standards*

Independent Auditors' Report

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and major fund of the Centennial Board of Cooperative Educational Services (the "BOCES") as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the BOCES' basic financial statements, and have issued our report thereon dated October 16, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the BOCES' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the BOCES' internal control. Accordingly, we do not express an opinion on the effectiveness of the BOCES' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the BOCES' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Independent Auditors' Report

Report on Compliance for Each Major Federal Program

We have audited the Centennial Board of Cooperative Educational Services' (the "BOCES") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the BOCES' major federal programs for the year ended June 30, 2020. The BOCES' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the BOCES' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the BOCES' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the BOCES' compliance.

Opinion on Each Major Federal Program

In our opinion, the BOCES' complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of the BOCES' is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the BOCES' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the BOCES' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities and major fund of the BOCES as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the BOCES' basic financial statements. We issued our report thereon dated October 16, 2020, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Financial Statements

Type of auditors' report issued: unmodified

Internal control over financial reporting:

- Material weakness identified? yes no
- Significant deficiencies identified that are not considered to be material weaknesses? yes no

Noncompliance material to financial statements noted? yes no

Federal Awards

Internal control over major programs:

- Material weakness identified? yes no
- Significant deficiencies identified that are not considered to be material weaknesses? yes no

Type of auditors' report issued on compliance for major programs: unmodified

Any audit findings disclosed that are required to be reported in accordance with the Uniform Guidance? yes no

Identification of major programs:

84.011 Migrant Education Program

Dollar threshold used to distinguish between type A and type B programs: \$750,000

Auditee qualified as low-risk auditee? yes no

CENTENNIAL BOARD OF COOPERATIVE EDUCATIONAL SERVICES

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (Continued)

YEAR ENDED JUNE 30, 2020

II - Findings relating to the financial statement audit as required to be reported in accordance with generally accepted government auditing standards

A. Material Weaknesses in Internal Control

The audit of the financial statements of the Centennial Board of Cooperative Educational Services, as of and for the year ended June 30, 2020, did not disclose any material weaknesses or significant deficiencies in internal controls.

B. Compliance Findings

The audit of the financial statements of the Centennial Board of Cooperative Educational Services, as of and for the year ended June 30, 2020, did not disclose any instances of noncompliance with requirements with certain provisions of laws, regulations, and grants that were material to those financial statements.

III - Findings and Questioned Costs for Federal Awards

A. Material Weaknesses in Internal Control

The audit of the major programs of the Centennial Board of Cooperative Educational Services, as of and for the year ended June 30, 2020, did not disclose any material weaknesses or significant deficiencies in internal controls over grant compliance requirements.

B. Compliance Findings

The audit of the major programs of the Centennial Board of Cooperative Educational Services, as of and for the year ended June 30, 2020, did not disclose any instances of noncompliance with requirements with certain provisions of laws, regulations, and grants that were material to those financial statements.

C. Questioned Costs

None noted.

VI – Schedule of Prior year Findings

None.

CENTENNIAL BOARD OF COOPERATIVE EDUCATIONAL SERVICES

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2020

NOTE 1: BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in the financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3: 10% DE MINIMIS INDIRECT COST RATE

The BOCES did not utilize the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 4: SUBRECIPIENTS

There were no subrecipients that received funding from the BOCES for the fiscal year.
