

# G<sup>88.5 FM</sup>FORTH

**MEDIA / DEC. 2019**

There is something about this time of year that prompts us to rejoice!

We happily adjust our schedules in joyful anticipation of the celebration of Jesus' birth. With a mix of festive music and traditional meals, we remember once again what it means for Christ to have come among us.

At Goforth Media, we eagerly shout the good news all over the radio dial! And you are a part of making that happen. Thank you so much for supporting this ministry's efforts to proclaim the wonderful truth that "God was in Christ reconciling the world to himself" (2 Corinthians 5:19).

Through the end of the year, our "seasonal duties" will crowd around us. From presents and parties to special services and family visits, these very good things can obscure our vision and cause us to miss seeing so many people around us who are alone. They may spend the holidays comforted only by the light that Goforth Media sheds into their home. We ask you to consider giving a gift to this ministry to help them so the hurting and lonely might continue to hear "tidings of great joy" (Luke 2:10).

We have made it through another year of faithfully broadcasting the gospel because people like you have stood behind us with your financial support. This has been a powerful year of ministry for Goforth Media. Your partnership during the past 12 months has served as an important link in God's plan.

We thank God for the people he has brought to Christ directly through this radio ministry. Thank our Lord for the Christians he has built up in the faith, for the marriages he has restored, and for the local churches he has manifested himself through.

If you have been looking for a place to make an eternal investment to close out the year, we can assure you that Goforth Media is making an eternal difference.

Goforth Media is a 501-C3 ministry, so your financial gifts are tax deductible. You have just a few days left in the year to send a gift that can be deducted from your 2019 income tax. The donation must be postmarked by Dec. 31.

If you are not in a position to give financially, then please commit to praying regularly for us and the listeners. And Merry Christmas from the Goforth Media family.

## From the other side of the Radio

One day I was channel surfing and came upon WLPR 93.3 FM and was so pleasantly surprised at the continuous Southern gospel music that I was hearing and enjoying so much. The hosts are great and entertaining and don't carry on with a lot of unnecessary talking and hoopla. They let the music speak for itself and I'm all about the music.

I started listening to Power 88 when going through a tough time in my life. It lifted my spirits, focused my heart and filled me with good food. Since I have been listening, it has helped change my focus in life. This is a very important part of life for all of us. No other station can quite add up. If I change the station, I always feel like a part of me was left behind in the airwaves of Power 88.5. I have to immediately change it back, because I know where I belong and what God desires for me to hear. My children are also blessed to know the sweet sounds that fill the air and the message that will last for eternity. My whole life has been influenced by Power 88.5.

*"My whole life  
has been  
influenced by  
Power 88.5."*

Each morning I wake up to Power 88.5 blaring in my room. I leave it just like that until I get ready to be quiet (pray) before leaving my home for the day. That way I can still hear it in the shower and my children can wake up to the positive message that Power 88.5 thrives to provide. When I get in my car the dial is set to, you knew it—Power 88.5.

# Kenny's Corner

2019 has been an incredible year in this ministry. There were many milestones that we had been working toward that were accomplished in God's timing. We began our first year broadcasting at 100,000 watts. After nearly ten years, we were finally able to restore Power 88's online streaming. We added an Alexa app, and debuted our re-designed website. In one year, this ministry went from a footprint on the Gulf Coast to a worldwide online ministry with a stronger local radio signal. It's because of your prayerful and financial support that we were able to reach these goals. Because of

listeners like you heeding the call from Christ to support this ministry, there are many more people whose lives have been touched. As we turn the page on this year (and decade) we know that God will continue to use this ministry for his glory. We're just getting started!
