

Jasper Middle School Summer Camp

Dear Parents / Guardians.

The Tennessee General Assembly passed legislation to address learning loss due to the COVID pandemic. As part of this legislation, our school district has received funds to run a four-week Summer Learning Camp for students who are currently in fifth through seventh grades.

There will be eligibility requirements for students. The district/state is first and foremost opening camps to priority students. These students are either in the TIERS program and/or are below the 25th percentile on mandated yearly screeners and summative tests. Any student failing two or more subjects will be required to attend camp in order to be promoted to the next grade. Teacher recommendations will also be utilized.

The camp will run from June 14th – July 9th. Camp will be from 7:00 – 1:00 five days a week. All students must be picked up by 1:00.

Students will be engaged in reading, math, physical education, as well as other activities, each day. With the intention of the camp being to help students recover from any learning loss that may have occurred during the pandemic, student attendance will be critical. If your student is accepted into camp, he/she will be expected to attend each day, unless there is an extenuating circumstance. Students who miss more than two days will be removed from the program and students attending for promotion will be retained. Breakfast, lunch, and snacks will be provided at no cost to families. No transportation will be provided.

This is truly an academic summer learning camp with certified teachers and staff. It will be packed full of exciting, engaging learning opportunities so each child at Jasper Middle School will improve academically during the camp.

Please fill out the back of this form and return to the school, whether your student will attend or not. All forms need to be returned to Jasper Middle School by Friday, April 30, 2021.

- I accept the invitation for my student to attend Jasper Middle School's Summer Camp
