Salaries are determined on an individual basis based on each person's creditable years of experience and credentials.

In addition to the regular compensation outlined in the 2019-2020 Compensation Plan, the Plan also allows the option for the Superintendent to recommend, and the Board of Trustees to authorize a one-time, lump-sum compensation supplement during the school year (2019-2020) to ****eligible** District employees (**see eligibility parameters at the District office and/or each campus office)
