Learning Today...Leading Tomorrow

News from Mrs. McNider

WOW! We are in the final stretch of the 2020-21 school year. I would like to thank you all for your support throughout this school year. Our PPS cubs have amazed me each day with their leadership skills and the academic gains they have accomplished. We have lived out the Leader in Me life each day at PPS and I am excited to watch them continue to grow next year as 2nd and 3rd graders.

I encourage you all to mark your calendars to attend your child's awards day this month. Every child at PPS will be recognized during these programs and you do not want to miss seeing your child be a leader. Each homeroom teacher will be sending out specific information for their awards day and I look forward to seeing our families that day as we celebrate a wonderful year of learning and leading together.

Thank you again for your continuous support.

Mrs. McNider, Principal

Important school wide upcoming events

(Healthy Eating Active Living)

May 4th

During PE we will have fun games, music, treats, and more!

MORE ON BACK

More PPS happenings!

No special snack
Fridays in May.

Leader In Me

We are often asked how parents can support our school's leadership initiative.

Each time we are asked we give the same answer...

"Use the 7 Habits language at home."

As the school year comes to a close, encourage children during the summer to use the language and meaning of the 7 Habits at home. By hearing the same language at home and at school, you send the children a strong message of what you believe is important and that we are all on the same team—the team that wants to help succeed. When parents and schools support one another, the sky is the limit!

Below is a summary of each of the habits:

- Habit 1: Be Proactive (You're in Charge)
- Habit 2: Begin With the End in Mind (Have a Plan)
- Habit 3: Put First Things First (Work First, Then Play)
- Habit 4: Think Win-Win (Everyone Can Win)
- Habit 5: Seek First to Understand, Then to Be Understood (Listen Before You Talk)
- Habit 6: Synergize (Together Is Better)
- Habit 7: Sharpen the Saw (Balance Feels Best)

Spirit Days:

- May 7 - Glow in the Dark
- May 14 - Sports Day
- May 21 - Under the Sea
- May 28 - Red, White, & Blue Day
- June 4 - Sunglasses

Parent Resource Center

Are you looking for some resources to help your child at home?

Make sure to check out the PPS Parent Resource Center.

Email our parent liaison at

Jenny.Schooley@acboe.net

and she can pull some materials for you to use at home to support learning at school.

From Nurse Coker

Happy Spring!! With the arrival of spring, we are seeing an increase in allergy and asthma symptoms. Students are outside more with this great weather. If your child suffers from asthma and allergies and takes medication to help with this, it would be very helpful if you gave them a **dose before school**. We are seeing a lot of students with these complaints very early in the school day. They are missing some valuable instructional time while they wait with the nurse for someone to bring their allergy medication or inhaler to school. Also, please remember to send a note for the PE teachers if your child has an injury or is having other problems that would keep them from participating in PE. Thank you so much for your help in keeping our cubs well!

2021-2022 Info!

Make sure to watch our website and Facebook pages during the summer for constant updates and information.
