MOUNTAINSIDE HIGH SCHOOL

2021-2022 Athletic Clearance Packet

The following forms must be completed and uploaded to RegisterMyAthlete.com and cleared by the MHS Athletic Office **BEFORE** your first practice/tryout each school year.

- 1. Athletic Emergency/Clearance and Athletic Permission Form with signature of parent/guardian and athlete.
- 2. Complete and turn in the brain book course. Each athlete must show proof of medical insurance. Medical insurance may be purchased if your parent/guardian does not have any. Student Accident Insurance Protection Plan information is available in the office.
- 3. Read the Release of Liability and Assumption of Risk Form. The form needs the signature of the parent/guardian and athlete.
- 4. The AIA Physical Examination Packet must be completed by a health professional.
 - a. Physical Evaluation Form should be completed by the parent/guardian.
 - b. Physical Examination Form should be completed by a healthcare professional. The physical must dated March 1st 2021 or later.
 - c. Traumatic Brain Injury Acknowledgement Form must be signed by athlete and parent/guardian.
 - d. Consent To Treat Form must be signed by athlete and parent/guardian.
- 5. All athletic fees must be taken care of once the athlete has joined a team.
- The entire packet must be completed PRIOR to tryouts or the first day of practice—NO EXCEPTIONS.

ALL FORMS WILL BE UPLOADED TO REGISTER MY ATHLETE.

- 1. Go to www.registermyathlete.com and click LOGIN in the upper right hand corner
- 2. Click Create Account
- 3. Enter information and create account
- 4. Click on Parent button

FOR OFFICE USE ONLY

- 5. Click on Start/Complete a Registration (left side of screen)
- 6. Click Start a New Registration
- 7. Follow the prompts to register a test athlete for a sport. You will need to print and complete all forms. The forms will need to be uploaded to RMA before athlete is cleared for athletic participation.

ARIZONA INTERSCHOLASTIC ASSOCIATION

OUR STUDENTS, OUR TEAMS . . . OUR FUTURE.

Arizona Interscholastic Association, Inc. Mild Traumatic Brain Injury (MTBI) / Concussion Annual Statement and Acknowledgement Form

I, ______ (student), acknowledge that I have to be an active participant in my own health and have the direct responsibility for reporting all of my injuries and illnesses to the school staff (e.g., coaches, team physicians, athletic training staff). I further recognize that my physical condition is dependent upon providing an accurate medical history and a full disclosure of any symptoms, complaints, prior injuries and/or disabilities experienced before, during or after athletic activities.

By signing below, I acknowledge:

- My institution has provided me with specific educational materials including the CDC Concussion fact sheet (http://www.cdc.gov/concussion/HeadsUp/youth.html) on what a concussion is and has given me an opportunity to ask questions.
- I have fully disclosed to the staff any prior medical conditions and will also disclose any future conditions.
- There is a possibility that participation in my sport may result in a head injury and/or concussion. In rare cases, these concussions can cause permanent brain damage, and even death.
- A concussion is a brain injury, which I am responsible for reporting to the team physician or athletic trainer.
- A concussion can affect my ability to perform everyday activities, and affect my reaction time, balance, sleep, and classroom performance.
- Some of the symptoms of concussion may be noticed right away while other symptoms can show
 up hours or days after the injury.
- If I suspect a teammate has a concussion, I am responsible for reporting the injury to the school staff
- I will not return to play in a game or practice if I have received a blow to the head or body that
 results in concussion related symptoms.
- I will not return to play in a game or practice until my symptoms have resolved AND I have written clearance to do so by a qualified health care professional.
- Following concussion the brain needs time to heal and you are much more likely to have a repeat concussion or further damage if you return to play before your symptoms resolve.

Based on the incidence of concussion as published by the CDC the following sports have been identified as high risk for concussion; baseball, basketball, diving, football, pole vaulting, soccer, softball, spiritline and wrestling.

I represent and certify that I and my parent/guardian have read the entirety of this document and fully understand the contents, consequences and implications of signing this document and that I agree to be bound by this document.

The Preferred Urgent
Care of the Arizona
Interscholastic Association

2021-22 CONSENT TO TREAT FORM

Parental consent for minor athletes is generally required for sports medicine services, defined as services including, but not limited to, evaluation, diagnosis, first aid and emergency care, stabilization, treatment, rehabilitation and referral of injuries and illnesses, along with decisions on return to play after injury or illness. Occasionally, those minor athletes require sports medicine services before, during and after their participation in sport-related activities, and under circumstances in which a parent or legal guardian is not immediately available to provide consent pertaining to the specific condition affecting the athlete. In such instances it may be imperative to the health and safety of those athletes that sports medicine services necessary to prevent harm be provided immediately, and not be withheld or delayed because of problems obtaining consent of a parent/guardian.
