June 2, 2019

However, I consider my life worth nothing to me; my only aim is to finish the race and complete the task the Lord Jesus has given me—the task of testifying to the good news of God’s grace. - Acts 20:24

## *Highlights from Letters to Power 88*

- I started listening to Power 88 when going through a tough time in my life. It lifted my spirits, focused my heart and filled me with good food. Since I have been listening, it has helped change my focus in life. This is a very important part of life for all of us.
- No other station can quite add up. If I change the station, I always feel like a part of me was left behind in the airwaves of Power 88.5. I have to immediately change it back, because I know where I belong and what God desires for me to hear.
- My children are also blessed to know the sweet sounds that fill the air and the message that will last for eternity. My whole life has been influenced by Power 88.5.
