

## Letter from Department of Food Services

November 19, 2020

Dear Parents/Guardians,

The Benton County School District students will be attending school virtually during the week after Thanksgiving. This is the week of November 30- December 4, 2020. During this time, we want to be able to provide the students with a breakfast and lunch each day. This will be completely free of charge!

There are two ways the food can be distributed to the students:

1. The parent/guardian may pick up the meals from the school sites in a drive through line each day between the hours of 10:30 AM and 12:30 PM.
2. The buses will begin to run their routes at approximately 9 AM each day to deliver the food to the students who are on their bus route.

**Please provide us with the information below so we can determine how to best provide the meals for your student.**

**Student Name:** \_\_\_\_\_ **Student Lunch #:** \_\_\_\_\_

\_\_\_\_\_ I would prefer to come to the school site to pick up the breakfast/lunches.

\_\_\_\_\_ I would like for the breakfast/lunches to be delivered by the bus. *(If you choose this option, the bus will drop off the food at the bus stop where the child usually loads. If someone cannot be at the bus stop, please leave a container for the food to be placed in.)*

My child rides bus number \_\_\_\_\_.

Thanks,
