

In general, children will be placed at the grade level to which they are best adjusted academically, socially, and emotionally.

Children will usually progress annually from one (1) grade to the next. However, in cases where it has been determined that retention is in a particular student's best interest, he or she may be retained in the same grade for one (1) additional year. Such retention must be cleared in advance by the building principal and discussed in advance with the parent of the child.

In secondary programs a student's progress will be determined by the number and nature of the subjects passed. A student may advance from junior high school into the senior high school with less than the usual number of credits when the administrators of the two (2) buildings jointly agree that such a move will be in the best interest educationally for the student involved.
