

2019-2020 Brimfield Grade School Choice Board

- Students should choose at least **ONE** activity from each subject area column per day (Math, Reading, Writing, Science/SS, and Specials)
- Place a check on the activities completed and have parent/guardian sign the bottom of the form.
- Students, please return this sheet to your teacher **within 3 days** upon your return to school. (If you are unable to print - keep track of your work on a separate sheet of paper!)

Math: Meyers	Reading	Writing	Science/SS	Specials
<p>7th and 8th grade may pick from any of the tasks I listed below.. The performance task I have designed to be a fun math activity. Do not stress over them. Just try your best. The task will be in more detail with rubrics on my planbook page. You may locate my planbook from Brimfield School District Webpage my faculty page</p> <p>The Rubrics and in depth descriptions of the performance tasks will be updated on my planbook page Sunday night. Please check attachments. I will also attach the remind 101 information so students and parents may communicate with me and the students may ask me questions on homework problems.They may also contact me via email. I will</p>	<p>Go to https://newsela.com/ Join my class by clicking "I'm a Student." Then use the following codes: 7A: 2ZFJN2 7B: U5Q54X 7C: 4W6DBA Read an article that interests you and take the accompanying quiz.</p>	<p>Watch a TED Talk write a short summary paragraph and and write a reflection paragraph (how you felt about what you learned). Here are a few TED Talks that I recommend. Can you really tell if a kid is lying? Less stuff, more happiness Everyday leadership</p>	<p>Planbook:</p> <p>Go to my planbook through my webpage.</p> <p>I have a detailed outline of work you need to work on during these E-Learning Days.</p> <p>My email: kevin.faulkner@brimfieldd309.com</p> <p>Snapchat: bgsscience</p> <p>I will also place assignments on Google Classroom. To join, this is the code: cjircdc</p>	<p>PE</p> <p>Complete Warm Up Exercise Routine (10 count hurdle stretches 10 sit ups, curls ups and jumping jacks) Or substitute your own exercises Or Log a physical activity that you can perform for 20 minutes</p>

<p>answer questions from 8:00- 3:00 Monday- Friday</p>				
<p>Study Island Task: You will have 3 review assignments this week found under your classroom assignment tabs. You may ask me which questions you have answered incorrectly via email or remind 101.</p> <p>Task 2: Performance Task: You may create a board game over any topic we have learned this year. I had a group of students convert the game Candyland to Sweet Ratios. To play the game students had to solve ratio problems to advance the game piece. You must have detailed instructions to play the game. You must create a prototype of the game and have it ready to play when we get back to school. Play the game with your family. I will have rubric on my planbook page.</p>	<p>NO TECHNOLOGY REQUIRED. Read a book. Set a goal for how many minutes you should read and set a timer. Read for at least 20 minutes a day. Create a one pager that you can add to as the story progresses. Suggestions for your page: Draw a picture of the main character List Character traits Write or draw a visual depiction of a theme in the story Describe the conflict Write a favorite quote from one of the characters Draw picture of the setting as the author describes it</p>	<p>NO TECHNOLOGY REQUIRED. <i>A Wrinkle in Time</i> is the first book in a five book series. Your assignment is to write what YOU think happens in the second book in the series. (If you have read the second book, continue from the last book you read in the series). Meg, Charles, and Calvin have made it back home. The Mrs. W's depart mysteriously. Will they all meet up again? Will anyone join the children in their next adventure? Set a goal for yourself. Write for 10 minutes a day? 15 minutes a day? 20 minutes a day? Continue to add to your story.</p>	<p>Watch a parent approved Disney movie and write a short paragraph on how it relates to a history topic.</p>	<p>Art</p> <p>Choir Find a recording of a group singing one of our concert songs. What did you think of their performance? Or Do a memory check for your solo or one our concert songs. Write down the lyrics and see how much you have memorized.</p> <p>Band Practice your instrument. Play through old band music, practice new scales with new notes, or find music online for your instrument. Check out https://www.8notes.com/</p>
<p>Task 3:Performance Task:</p>	<p>Read for twenty minutes a</p>	<p>First, read Mrs. McKinty's</p>	<p>Choose a newspaper</p>	<p>Jazz Band</p>

<p>You may create a scale model using the concepts of proportions or dilations. For example: You may calculate the height of a tree or structure using your height, your shadow, and your structure's shadow. You will need to create a story problem for the class to solve. You will need to create a picture to model the situation. Then you will demonstrate how to solve the problem step by step in a writing to explain format you have been taught in class. Your explanation should be at least five to six sentences. Or you may build a structure to scale like the Washington Monument in my classroom. Ask your parents first. You will need to turn in all calculations.</p>	<p>day. Record a book talk on Flipgrid. The link is posted in 7ELA Google Classroom. ***Looking for a book to read? Here are some sources for free e books. https://www.gutenberg.org/ OR Try typing the title of the book you are looking for followed by .pdf OR Our public library offers ebooks. If you know your username and password, you can download the Axis360 app and read or listen to books online. OR https://archive.org/ OR https://www.overdrive.com/apps/libby/</p>	<p>7th grade ELA blog on learning from home. Next, write a blog post on your edublogs account.</p>	<p>article and read it. This can be online or a printed article. Write a short summary of what the article was about.</p>	<p>Listen to the radio, pick a song you like and see if you can try and play it by ear on your instrument. This skill is called transcribing and is used by jazz musicians around the world!</p> <p>Visit https://brimfieldmusic.weebly.com/ for more ideas and videos!</p>
<p>Task4: You will write 5 story problems covering material we learned in class. One for each day of the week. You will demonstrate step by step how to solve the story problem on paper or you get to be the teacher for the day and send a 30</p>	<p>Listen to a podcast. Here are some suggestions:</p> <ul style="list-style-type: none"> • http://www.doctorfloyd.com/ • https://why.org/programs/eleanor-amplified/ • https://flyestfables.libsyn.com/ • http://www.welcom 	<p>Respond to the writing prompt that I have posted on Google Classroom. Create a doc within the assignment and start writing! :-)</p>		<p>Computer Class: Type the lessons 1-8 At https://www.typing.com/student/lessons</p>

second video to me via email. I would love to see your mathematician faces!!!	etonightvale.com/listen <ul style="list-style-type: none">• https://www.startalkradio.net/#
