Dear Parents,

Henry County R-I School District is offering all rising kindergarten-8th grade students, free of charge, the exciting approach to learning called Summer Journey to be held May 29-June 29, 2018, from 7:30 am-3:00 pm. Make no mistake about it; our summer program is FUN for kids. Yet, our summer school program also provides an opportunity for students to experience over 60 hours of advanced academic preparation for the year ahead as well as to review and apply previously learned skills and knowledge. Summer Journey's extraordinary educational goals are comprised of academic courses with hands-on instruction centered in reading, language arts, math, and social studies or science. Other important fields of study are also available.

While all of the ambitious academic courses will be relaxed in format, (no homework or tests for grades) Summer Journey offers courses for hands-on STE+AM exploration and discovery. Summer Journey classes could include a rocket class, where students learn the basic principles of flight as they construct and fly real rockets, or a cooking course, where they learn basic cooking techniques. Other courses which may be offered include Strings and Beads, to spark our younger students' artistic abilities, and Yoga-cize designed to develop the body and encourage a lifetime of fitness. These are but a sample of the courses that may be offered.

Finally, to make the program even more enticing to students, Summer Journey provides an extensive Incentives program. Students will be eligible to receive daily prizes if they come to school, exhibit a positive attitude, and work to improve their achievement. At the end of the program, some lucky students will also win Grand prizes that will be awarded on the final day. All of our students who demonstrate outstanding attendance will be well rewarded with an Attendance Recognition ranging from \$50 for "near perfect" attendance to \$100 for "perfect attendance".

In addition, if you are the parent of a child who will be entering Kindergarten in the fall of 2018, I strongly encourage you to consider enrolling your child in Summer Journey. We have noticed that when new students meet their teachers, fellow students and our staff during the summer, they are eager to return in the fall and find that "first day of school" experience to be a positive one.

Please take a moment to review the information enclosed and contact Summer Journey School Principal, Mrs. Stephany Wasson if you have any questions at 660-647-5621. We look forward to seeing your child in the Summer Journey School Session.

Sincerely,

 Dr. Kristee Lorenz
 Superintendent

Windsor School District is allowing the Calhoun Students to attend Summer School at the Windsor school this year, as the Calhoun school is not having a summer school program.
