**CLASSROOM NEWS**

This week in Preschool we started our first Fall theme, "Apples". We started the week out talking about the parts of an apple and what color apples can be. The kids did still life apple art, built apple trees using brown tubes, green sticks, and red pom pom balls, made apple stew (counting activity), and got to taste different kinds of apples. This week our books are: Apples, Apple-Picking Day, Where Is The Apple Pie? & Little Mouse And The Big Red Apple.

I hope you all are enjoying our first class made book! If your child hasn't brought it home yet, don't worry, it will be coming home one day next week!

I am going to start sending folders home every night whether I have things to send home or not. This will help you to be able to safely send things to school any time.

**IMPORTANT DATES**
