“Providing a Quality Education for All Students”

COVID-19 Vaccination Update

At this time, the Mississippi State Department of Health is offering COVID-19 vaccinations to healthcare personnel, adults aged 65 and older, and anyone 16 to 64 years with a chronic health condition (i.e. diabetes, kidney disease, heart conditions, obesity, etc.). MSDH is offering drive-through vaccination clinics for eligible Mississippians. An appointment is required for the drive-through vaccinations. In Panola County, the testing site is located at the Batesville Civic Center. Sites are currently operating from 9 a.m. to 5 p.m. For appointment availability use the listed link, [COVID-19 Vaccination Sites, Eligibility and Appointments - Mississippi State Department of Health \(ms.gov\)](#) or call the Mississippi COVID-19 Hotline (877) 978-6453 for assistance. Please be aware that vaccinations are in high demand and appointments may not be available. The Department of Health adds new appointment openings weekly. Please check the appointment website regularly for updates. Vaccinations site are expected to increase by February.

Lethea Jackson, BSN, RN

District Nurse
