Student Parking Lot Rules

2020-2021

- In order to receive a parking permit, students must present a valid Georgia driver's license OR eligibility to receive a valid Georgia driver's license, up-to-date insurance and registration.
- The Houston County Board of Education is not responsible for losses of or damages, including bodily injury, to the property of users of its facilities.
- The school administration reserves the right to suspend or revoke parking privileges without a refund for the cost of a permit.
- While on campus, your vehicle is subject to searches at any time.
- On school days, student vehicles are not allowed to park closer than the Side Parking Lot, including areas near the baseball field, bus ramp, greenhouse, or the rear of the gym until after 3:15 PM. After this time, only students participating in extracurricular activities should be parked in these areas.
- Within your designated parking spot you are to park on the paved surface between two yellow or white lines.
- Parking permits cost \$50 first semester and \$25 second semester. All replacement parking permits cost \$10.
- When you arrive at the school, park your vehicle and remain in YOUR car until 7:45. No student drivers are permitted inside the building until after 7:45am. When you have been dismissed for the day, you must leave the parking lot immediately. All students must be off campus prior to 2:20pm unless in a supervised after school activity. There is to be NO gathering in the parking lots before or after school.
- If another vehicle is parked in your assigned parking spot you are to park in the last numbered spot of your parking lot. While it is inconvenient for you, parking in the last number spot will help eliminate further problems for the day. You are to report to the main office that another vehicle has taken your assigned location.
- **Back Parking Lot** – This lot is located behind the two story building on the south side of campus. Access to this lot is Jerry Barker Blvd.
- **Side Parking Lot**-This lot is located on the western side of our campus. Access to this lot is off Bear County Blvd.
- **Front Parking Lot**-This lot is located in the front of the building. Access to this lot is off Hwy 96.
- Students parking in the back lot must take a right onto Jerry Barker Blvd. when leaving in the afternoons. They will then be directed to take a left onto Bear Country Blvd.
- Students parking on the side lot must take a right onto Bear Country Blvd. when leaving campus in the afternoon.
- Students are not allowed to ride in the back of a pickup truck or the outside of any other vehicle except a motorcycle.
- Report all accidents to the front office immediately.
- On-campus student parking is a privilege provided by Houston County High School. Violations of parking lot rules may result in your permit being suspended, or revoked.

There are several actions that will cause your parking permit to be suspended or revoked. The following list is general in nature and does not include all infractions that may result in the disciplinary action indicated:
