Introduction

R Blends Artic Quickies™ is two photo-based products in one – a reproducible workbook and a CD-ROM - full of handy articulation fun sheets for the busy Speech-Language Pathologist. *R Blends Quickies*™ takes the 28 R Blends photo-words found in the *R Blends Artic Photos Fun Deck*® published by Super Duper® Publications, combines them with 35 more bonus R Blends photo-words, and creates beautiful color and/or black and white activity pages.

This CD-ROM features:

- The identical 30 black and white activity pages found in the workbook, plus these same pages in **color**. You print out the version that is best for you!
- Six (6) bonus blank "master" articulation pages that allow you to make your own customized articulation pages.
- Five bonus awards.

Plus you can customize the names and dates on each worksheet as well as enter words on the master pages.
