NOTE:

Due to new regulations and/or policies, all incoming substitutes to the Dale County School System must be approved by a majority vote of the Board of Education. After such Board approval, the Central Office will contact the schools and notify them of any individuals who are approved to substitute in the school system.

No one will be added to the substitute list until they have 1) received Board approval, 2) their legal US citizenship is verified through the E-Verify System, and 3) all paperwork is completed and returned to this office.

I have read and understand the guidelines set forth:
